

- Check account balances
- Transfer funds
- Search for cleared checks, deposits
- Get loan balances
- Manage your PIN

Once you are enrolled and logged into Audio Response telephone banking, use your keypad to navigate through the menus shown below.

Getting Started

1. Call one of AAGCU's telephone banking numbers, as shown above.
2. When prompted, key in your member number followed by the pound (#) key.
3. When prompted, key in your PIN (Personal Information Number) followed by the pound (#) key.
4. Follow the menu of choices to conduct a transaction.

Record your suffix ID's for your accounts:

Savings _____

Checking _____

Auto Loan _____

Line of Credit _____

Additional Savings _____

Other _____

*Contact us for more information on suffixes.
