

**Alaska Air Group**  
CREDIT UNION

# The Quarterly Flyer

January 2026

## President's Message

The credit union has been extremely busy this past year. AAGCU welcomed Hawaiian Airlines employees into the field of membership and continues to have a strong partnership with Alaska Air Group. This year, the credit union team visited various stations, supported events, and showed up as a trusted and valued partner. The station sticker project has increased with over 30 different stations having their own special stickers created by the credit union marketing team. The station stickers and brand refresh also led to AAGCU winning two nationally recognized credit union marketing awards. In 2025 the credit union changed core processing systems. This was a

### - Notice of - Director Nominations

There are 4 open positions for the board of directors. The nomination committee has nominated the following people:

Jen Keller • Suzi Hoadley  
Bonita Brend • Joel Gillespie

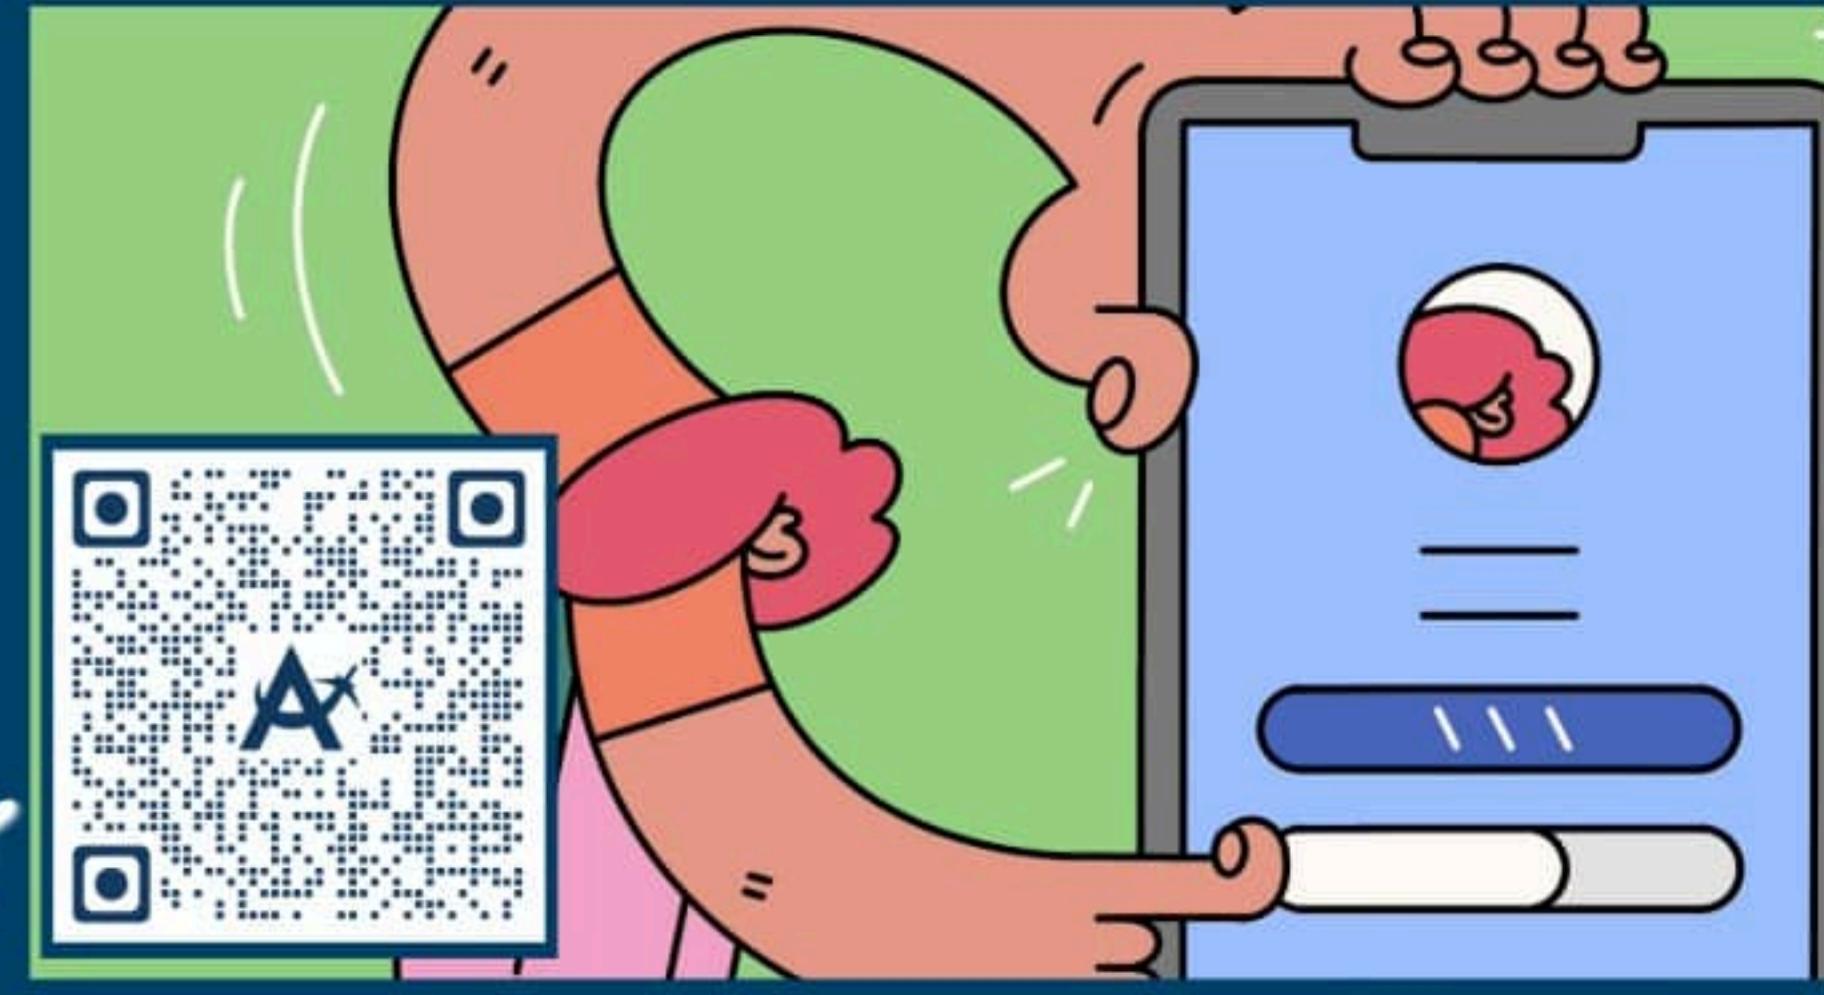

There will be no nominations from the floor and no election by ballot, if no additional nominations are made. Additional nominations may be made by a petition signed by at least 150 members. Nominations by petition must be accompanied by a signed statement from the nominee agreeing to the nomination and agreeing to service if elected. This must be received by February 1st, 2026.

identify and avoid these scams. The credit union will continue to explore additional ways to help identify scams and work to reduce any potential losses to members and the credit union. Over the next year AAGCU will continue to focus on providing as much value back to the membership via competitive rates, excellent service, and products that will help meet the membership's financial needs. I feel very blessed to be one of the stewards of our credit union and I want to thank our membership, the Board of Directors, the Supervisory Committee, and the entire credit union team for all that we were able to accomplish this past year. I look forward to 2026.

*Dan*

decision made several years ago after a thorough evaluation. The team found a new core processor that would help to continually offer the best possible financial products and services to the membership. The core conversion took several years to complete and was successfully completed in June. A big thank you to all the credit union employees who worked diligently to make this happen and did so with minimal impact to members. The credit union remains in a strong financial position and continues to be ranked as one of the financially strongest credit unions in the industry. As a result, AAGCU has been able to offer top tier rates on savings, certificates and loans throughout the year. During 2025 AAGCU saw an increase in scams and responded by putting out several articles and talking points to help educate the membership on how to
